

# Rottex Coin (RTEX)

Official Whitepaper

*"Together for Growth"*

Author: THE GENERAL

## About Rottex Coin

Rottex Coin (RTEX) is a next-generation cryptocurrency built on a Win-Win System, inspired by the principle: "Together for Growth." Our mission is to empower all holders, partners, and contributors equally while delivering innovative DeFi tools like staking, AMM swap, and liquidity rewards. The project ensures transparency, security, and investor trust within a win-win ecosystem.

## Vision & Mission

Vision: Build a secure, community-driven, growth-oriented digital economy rewarding long-term trust and active participation. Mission: Empower participants, deliver innovative DeFi tools, and maintain full transparency and fairness.

## Core Values

- Win-Win Growth – Investors, community, and ecosystem all benefit.
- Transparency & Security – 80% liquidity locked; audited smart contracts.
- Utility & Rewards – Staking, liquidity pools, and future DeFi utilities.
- Community First – Members involved in decision-making and growth.
